

# Foxhangers Mooring Tariffs

The Foxhangers Moorings are set in amongst farmland with access a 3 minute drive off the A361 via a stone road. The highly sought after moorings at Foxhangers are very secure and peaceful with vehicular parking spaces close by the boats.

We have a limited number of both Canalside & Marina basin types of mooring both available with Water, Electric services available for each mooring. The Privilege Canalside moorings are deemed most suitable for wide beam vessels and are priced accordingly at the current market rate, any type of vessel is though welcome on these moorings. Regrettably our marina basin moorings are not appropriate for craft wider than 7 foot.

## Summary of payment terms:

- Standard payment/notice period 3 months in advance
- +10% premium for monthly payment/notice period
- 5% discount for 12 months up-front payment/notice period
- 2.5% discount for quarterly payment by direct debit
